

Let us simplify your routing processes with EZRouting.™

Intelligent cloud-based routing software that helps simplify your operations and more efficiently manage student transportation logistics in real-time.

Features and Benefits

- ✓ **Flexible Calendar-Based Scheduling.**
Easily account for students with different pickup and drop off locations throughout the week.
- ✓ **Auto Student Assignment.**
Assign one student or groups of students to new stops in seconds.
- ✓ **Parent Portal.**
Automate visibility, student information updates, and communication to parents through the online Parent Portal.
- ✓ **Turn-By-Turn Driver Directions.**
Tablet-based navigation directions and read-aloud options increase driving safely.
- ✓ **Gain More Control.**
Easily track vehicles, mileage, and fuel costs with the School Bus Fleet Maintenance add-on.

All-Inclusive Routing Software

We believe your team should have access to the information they need at the moment they need it. With EZRouting, your only add-ons are text messages, tablets and their data plan, and School Bus Fleet Maintenance (all optional). This means your routing subscription includes:

- ✓ Unlimited user licenses
- ✓ Free map updates
- ✓ Nightly sync for student information data
- ✓ Parent Portal access

About TransAct

For more than 25 years, TransAct has dedicated itself to providing K-12 districts and state departments of education with software solutions that help them streamline their operations, more efficiently meet state and federal requirements, and more safely and effectively serve their students.

Together, our cloud-based routing, field trips, and GPS tablet solutions provide a complete, user-friendly but intelligent system that frees your team to focus on student safety, driver retention, and day-to-day operations instead of managing software.
