

Bus Safety 101

Stop when the bus stops

When you see a school bus stopped with its red lights flashing and stop arm extended, you must stop your vehicle. This is the law in all 50 states.

Do not pass the bus

Even if you are on the opposite side of the road, do not pass a school bus that is stopped with its red lights flashing.

Be patient

It may take a few minutes for children to board or exit the bus. Be patient and wait until the bus has moved on before you proceed.

Be aware of your surroundings

Children may be unpredictable and may dart out into the road. Be aware of your surroundings and be prepared to stop if necessary.

Set a good example

Talk to your children about school bus safety and ensure they know the rules. Set a good example by following the rules yourself.
